In the excitement and enthusiasm over the Victory Liberty loan it is pertinent to remind holders of the 3 1-2 per cent, bonds of the first Liberty loan that with today (Thursday) expires the time when they may convert their holdings into the 4 1-4 per cent, bonds of the fourth loan. The first 3 1-2's comprise the only issue of Liberty bonds that can be converted into the fourth, the third issue having been denied any conversion privilege by law, while the conversion option of the second loan has long since expired by limitation.

EOLTON SUES FRANKLIN

FOR SUPPORT OF PAUPER The first pauper case to be tried be-fore the Tolland county superior court was tried before Judge William S. Case this week. The town of Bolton sued the town of Franklin, in New London county, for \$300 for the support of George W. Griffing, who is confined in the Norwich state hosptal, the former claiming that Griffin is a legal resident of Franklin and therefore that Franklin should sup-port him. The town of Boiton was represented by Judge H. O. Bowers f Manchetter, while the town of ranklin was represented by Arthur from of the firm of Brown & James

of Norwich.

The town of Botlon, through its first selectman, Caivin Hutchinson, had Griffing committed to the Norwich State Hospital on Nov. 15, 1915, by the probate court in the district of Andover and from that date, Bolton has been "charged with his support to the amount of \$300.01. On November 20, 1915, the selectmen of Franklin refused to recognize Griffing as a resident of that town or pay for his support when asked to do so by the town of Bolton asked in their complaint damages of \$500.

When the court opened Judge Bow-When the

registrar, on the stand. He testified RUSSELL SMITH HAS that Griffing appeared to vote but twice, and that his name was finally stricken off the list. At this point the plaintiff rested. Judge Case then heard the arguments and reserved his decision until a later date.
